Features

Sturdy and durable, BKT bench and floor scales are ideal for manufacturing, shipping and receiving, packing and distribution warehouses. The BKT has a built in printer that can print weight, QR codes, bar codes and labels in numerous languages. Software is included for personalized label design and formatting. BKT scales consist of a sturdy ABS plastic indicator, cast aluminium base, and easy-to-clean stainless steel platform. Operation is simple using six buttons on the indicator, and results are readily visible on the backlit LCD. The indicator can be placed on a bench or attached to the included pillar. The BKT offer three platform sizes to accommodate large or small objects. RS-232 interface provide speedy connection to computers and printers. **Quickly produce custom labels and bar codes with the built-in printer** Features

- Vivid, backlit LCD easily visible in any lighting conditions
- Programmable backlight can be set to "always on," "always off" or "light only when weighing"
- Color-coded keys facilitate quick recognition of the most frequently used buttons
- Level indicator and adjustable feet ensure proper balance setup for optimum weighing results
- Large, grade 304 stainless steel pan allows swift cleaning
- RS-232 interface is available to provide speedy connection to computers and printers
- Rugged construction stands up to industrial use
- Sealed keypad protects against dirt and spills
- Overload protection helps prevent damage to internal components
- Built in printer can print weight, QR codes, bar codes and labels in numerous languages
- Checkweighing with audible alarm
- Memory accumulation totals results
- Parts counting optimization automatically refines piece weight as parts are added
- Selectable digital filtering helps minimize effects of vibration and disturbances
- Zero-tracking feature ensures display returns to zero reading
- Rechargeable battery included for operation almost anywhere
- Programmable auto power-off to save energy

Applications

- Weighing
- Parts counting
- Percentage weighing
- Checkweighing
- Dynamic / animal weighing
- Accumulation
- Display hold
- Peak hold
- Barcode / label printing
