

Protect your investment and add years to the life of your scale with our diamond steel bumpers. Angled design deflects fork lift blades and prevent unwanted movement and damage to scale. Bumpers are available in 360° surround style or any combination of sides to fit your specific application. Our 360° surround bumper is also available with fork lift skids to add portability to your existing scale. Each Cambridge Scale Works bumper guard is custom built to exactly fit your scale.
