## Features

Detecto's ideal scale for the smaller commercial and industrial users who demand top performance for their dollar. The 4500 Series comes in a variety of capacities listed below to suit your needs. Perfect for inventory purposes, for weighing bulk commodities or shipping and receiving departments, these are the real workhorses of the industry, manufactured for precision performance in even the most brutal environments.

The die-cast beams are easy to read from both front and back and even easier to use. The model 4527PK even shows pounds and kilos on both the front and back of the scale. Detecto scales maintain pinpoint accuracy with a fabricated lever system. All functional parts are completely covered and protected. The oven-baked finish is smooth and will remain mar-resistant even after years of rugged use. Detecto is proof positive that you can buy the best without paying the most.
