Features

Portable and attractive, these digital portable scales with 5-inch-diameter rubolene wheels let the weighing come to you. With a platform size of 19 x 28-inches, and capacities of 500 or 1,000 lbs, there is very little these scales aren't capable of weighing. Models are equipped with either a 190, 204, 205, or 210 digital weight indicator having push button tare, pounds/kilograms conversion, and RS232 serial output. NTEP legal-for-trade certified. The 185 Rival is Included

185 Rival Indicator

Cardinal Scale's 185 Rival is a high-quality, economical durable weight indicator with bright-green LCD for easy viewing. The washdown IP66-rated attractive molded ABS enclosure is built for durability in harsh indoor or outdoor weighing applications. Also available with rechargeable battery power, the model 185B is powered by six standard, off-the-shelf AA Alkaline or rechargeable Ni-Cad or NiMH batteries. Internal battery circuitry automatically detects the battery type for charging.

The 185 Rival may be used as a remote display for long-range viewing when connected to another weight display. The 1-in/25-mm high bold green LCD is visible from a distance. The 185 indicator comes with a versatile stainless steel swivel mounting bracket for desktop or wall-mount set up. The 185's anti-slip mounting bracket includes rotational lock-in set points adjustable in discrete 15° increments for exact positioning of the display right where you want it. It features RS232 serial output with waterproof gland connectors for connectivity with a PC or printer. The watertight power connector meets washdown requirements.

The 185 Rival is ideal for bench scales used in commercial foodservice and general weighing applications, warehouse and distribution facility floor scales, recycling and outdoor materials weighing, and industrial vessel weighing where high visibility is beneficial. The 185 is NTEP, Measurement Canada, and OIML approved.

- High visibility for warehouse and distribution facility floor scales
- Recycling and outdoor materials weighing
- Industrial vessel weighing where high visibility is beneficial
- NTEP, Measurement Canada, and OIML approved
- High-quality, economical durable weight indicator
- Bright-green backlit LCD for easy viewing
- Available with rechargeable battery power
- Washdown IP66-rated for harsh environments
- Available in two models (185 and 185B)
- Bold 1-inch/25-mm high backlit LCD
- Attractive molded ABS enclosure built for durability in harsh indoor or outdoor applications
- Stainless steel mounting bracket included
- lb, oz, kg, and g weighing units
- Ability to drive up to four 350O load cells
- 6,000 divisions NTEP certified and Measurement Canada approved legal-for-trade weighing resolution
- Built-in, bi-directional RS232 port for printing or connection to PC
- Battery level indicator on model 185B
- Piece counting mode
- Easy-to-manage, 4-screw, 2-piece enclosure
- Simple 7 button operation
- Internal audit trail for NTEP and OIML requirements
- Country of Origin: USA
