Features

With built-in ramps for entering and exiting the scale, Detectos 6500 portable bariatric scale is perfect for any wheelchair application. The integral wheels and handles plus battery power make this scale portable and easy to move from location to location. With the 6500, you may enter the wheelchair weight, so that only the patient weight is displayed. With a high capacity of 800 pounds, this scale is excellent for bariatric needs as well.

The 6500 offers a wide range of versatility and weighing positions: wheelchairs, standing, straight-legged chairs, and walkers.
