Features

Capacity x Readability: 1000 lb x 0.5 lb - Legal for Trade

Constructed entirely of heavy-duty welded fabricated steel bases and electrostatically coated with long-life paint, these legal for trade platform scales provide fast, portable, accurate performances that let the weighing come to where you need it. The Detecto model 210 digital weight indicator is battery powered and furnished in waterproof NEMA 4X/IP66 stainless steel enclosure with a .6" (15mm) high LED display, push button and keypad tare, a LB/KG switch, and RS232 output. Large 5 (127mm) diameter heavy-duty rubolene wheels make the scales easy to roll wherever they are needed.
