Hygienic Wipe-down Surfaces

The Rescue series carts are built with the busy clinical user in mind and feature an ABS countertop with smooth molded contours that are easy to clean for hygienic wipe-down disinfection. A central lock secures all the drawers at the same time for convenience.

Versatile Wheel Locks

The Rescue carts feature 2 parking locks and 1 directional steering lock on the wheels. The 5-inch-diameter wheels are built to last under heavy-duty clinical daily use. ABS bumpers protect all four corners of the medical carts.

Multiple Accessories Available

The Rescue series features a number of accessories available (like these drawer dividers) or you may purchase a fully-loaded cart pre-stocked with typical accessories needed for ER or Anesthesiology departments.
