Features

DETECTO's Solace series USA-made in-floor dialysis scales are flush-mounted platform scales that feature stainless steel decks and include a pit frame, trim ring, and interface cable to the included multi-color, touchscreen LCD indicator and printer. The flush surface eliminates tripping hazards and hallway accessibility issues. The Solace series is available with or without a handrail and all models include a recessed-mount indicator and ticket printer combination. These in-floor scales with high 1,000-lb x 0.2-lb/450-kg x 0.1-kg capacity easily accommodate patients with walkers, canes, wheelchairs, dialysis chairs, and the 6 x 4 ft. size even accommodates stretchers. The Solace series comes in 8 standard models to choose from with 3 x 3 ft., 4 x 3 ft., 4 x 4 ft., and 6 x 4 ft stainless steel platform sizes (custom sizes/configurations available). DIALYSIS + BARIATRIC WEIGHING

- 1,000 lb x 0.2 lb / 450 kg x 0.1 kg capacity
- 8 standard models to choose from
- Handrails available for patient stability while weighing
- Indicator/printer, pit frame, scale, and trim ring included
- Standard platform sizes: 3 x 3 ft, 4 x 3 ft, 4 x 4 ft, and 6 x 4 ft
- Custom sizes and configurations are available
- USA-made quality construction

DETECTO's Solace series in-floor scales are covered with durable stainless steel to provide years of maintenance-free use. The built-in thermal printer makes it easy to print out a weight record for patient recordkeeping.

- Multi-color, touchscreen LCD display
- Built-in thermal ticket printer (included)
- Displays weight, height, and BMI onscreen simultaneously
- Large 0.9-inch-high, clinical blue LCD weight digits
- Push button or manual entry of tare weights for wheelchairs and stretchers
- Automatically locks on weight temporarily for a few seconds in order to easily view and record measurement
- Menu button provides quick access to user-friendly menu settings for scale customization
- Standard 110V AC power 110V – 240V AC universal switching power supply

The Solace series in-floor scale's ticket printer can print Gross, Tare, Net and Patient IDs for record keeping

The Solace series is flush mounted with the floor and includes the pit frame and trim ring, plus an interface cable from the scale to indicator.

Complete in-floor scale package for continuous patient weight monitoring

DETECTO's Solace series in-floor scales are ideal for dialysis clinics, emergency rooms, and clinical facilities where fast, efficient patient measurement is necessary.

In-floor scales comes with model 855RMP digital weight indicator/ printer combo, pit frame, scale, stainless steel deck, and trim ring. Custom sizes and configurations are available.
