## Features

### ***An Excellent Durable, Precise Lightweight Stainless Steel Scale for Veterinary Needs***

DETECTO's model VET-70 compact scale features a stainless steel platform for long-lasting durability and easy wipe-down cleaning after animal weighing. The scale weighs in .02 lb / .01 kg increments, yielding precision results for small animals, such as cats, dogs, and rabbits. The plug-in AC adapter and lightweight build allow for easy set-up and mobility. DETECTO's unique StableSense digital filtering greatly reduces weight fluctuations resulting from animal movement, allowing for correct weights when dealing with active pets.
