Features

Steel security cord. Detachable lock with T-bar mechanism.
Visual and physical security

Protect your balance with this highly effective combination of visual and physical security.

Anti-theft solution

The device is a strong coated steel cord with a loop at one end and a detachable lock with T-bar mechanism at the other. Two keys are provided.

Easy installation

The T-bar mechanism of the lock simply slots into the built-in fastening point on the balance (see balance manual for details).
