Self-adhesive label 56mm x 18mm

Label Your Samples the Easy Way.

Roll of individual labels for use with thermal printers. Set of 6. Label size: 2.20 in × 0.71 in. Number of labels: 550

Meet the Documentation Requirements

Ensure all your samples are correctly labelled by always keeping a spare roll of labels. Record weight, date, time and more.

Convenient Handling

Simply print out the sample information and stick it straight onto the container.

Durable Printouts

The printout image stability of these phenol-free labels is guaranteed up to 10 years under proper storage conditions.
