

Ohaus 30400111 Test Tube Rack 16-20 mm Stationary

OHAUS offers a range of shaker accessories to meet your specific sample requirements. A variety of platform options are available to hold irregular samples or traditional flask clamps and tube racks. Platforms can increase the amount of usable space for your samples, and in some cases can be stacked to increase throughput and double the sample capacity. Tube racks and dimpled mats securely hold tubes in place.
