Features

The OHAUS Defender 3000 Series bench scales are ideal for general weighing and simple counting applications in production, packaging, warehouse, inventory, and shipping and receiving areas. Featuring a simple yet rugged tubular-frame base design, indicators with tactile keys, backlit LCD display, built-in rechargeable battery operation and flexible mounting capabilities, these scales are

ready to take your operation to the next level.

- **Applications** - Weighing, Parts Counting
- **Display** - Backlit Liquid Crystal Display (LCD)
- **Operation** - AC adapter (included) or rechargeable battery (included)
- **Communication** - Easy access communication port with RS232 interface (included)
- **Construction** - ABS indicator with reversible rear cover, painted steel base mount bracket with handle, 304 grade stainless steel platform with painted steel tubular frame, IP67 aluminum load cell, self-adjusting stainless steel feet with removable rubber caps
- **Design Features** - 125% overload protection, selectable span calibration points, averaging level, auto-zero tracking, battery saving auto-off, Geo Code geographical gravity calibration adjustment and software menu lockouts

Designed with affordability in mind, but with no compromise on quality! The OHAUS Defender 3000 Series economy line of bench scales is ideal for general weighing and simple counting applications in production, packaging, warehouse, inventory, shipping and receiving areas. The Defender 3000 Series feature a simple, rugged tubular steel base with overload stops and durable stainless steel pan. The Defender 3000 Series is the solution to your weighing applications that require dependability within an affordable budget.

Standard Features:

- Four Capacities: 33 lb/15 kg, 66 lb/30 kg, 132 lb/60 kg, and 330 lb/150 kg (depending on calibration unit used).
- Default resolution 1:6,000 to 1:7,500; NTEP certified and Measurement Canada approved to 3,000e.
- 304 stainless steel pan with painted carbon steel frame and aluminum IP67 load cell
- Indicator features a high-impact durable ABS plastic housing with painted steel mounting to front of scale base for applications requiring a low-profile. Mounting has handle built in for easy transportation.
- Adjustable non-slip rubber leveling feet with externally visible level indicator
- Multiple weighing units: lb, oz, lb:oz, kg, g (depending on model)
- Parts counting mode with selectable sample sizes, last sample size and Average Piece Weight data
- 1-in/25mm high LCD weight display with high-contrast backlight
- Built-in RS232 for printing and data connection
- AC adapter and internal rechargeable lead acid battery included
- Durable ABS plastic terminal houses a 100-hour rechargeable battery which allows for continuous operation for five straight days
- This tough industrial scale features a 304 stainless steel platform, painted steel tubular frame, aluminum load cell, and painted steel base mount bracket. Includes a handle for easy scale mobility.
- Easy-to-read display & basic counting mode allow for simple operation for everyday basic industrial applications. Offered with NTEP/Measurement Canada or OIML/EC Type approvals (depending on region).
