Features

Ohaus Trooper Count is an economical digital counting scale featuring simple to advanced counting modes. 300 memory locations for up to 60 items with RS-232 interface standard. Capacity: 30 lb x 0.005 lb / 15 kg x 0.002 kg.

The Ohaus Trooper Count is an economical counting scale with enhanced software designed for flexible counting operations. Featuring simple to advanced counting modes, 300 memory locations for up to 60 items, and an intuitive, easy-to-operate design, the Ohaus Trooper Count is a practical counting product you can depend on for a full range of industrial use.

Special Features

The Ohaus Trooper Count is a versatile compact digital counting scale that you can use in a wide range of applications, from in-process parts counting, packaging, inventory control to checkweighing. Intuitive menu operation, audible key press and text prompts, large triple-window backlit LCD display, and a durable cast aluminum internal weighing frame combine to make the Trooper Count an easy-to-use counting and weighing product that you can rely on.

- Auto-Optimization and Auto-Add to enhance APW accuracy
- 300 programmable memories for 12-digit part number, APW, tare weight, over/under limits and count accumulation
- Positive and negative sampling with user-selectable sample size capability
- Positive and negative counting (count in, count out)
- Manual or pre-set taring for convenient taring operation
- Checkweighing and comparison for checking lot sizes
- AC or auto-off battery operation for portability
- **RS232 data interface standard**
- TAL Software Wedge available for easy systems integration

Model Number	TC3RS	TC6RS	TC15RS	TC30RS
Default Capacity x Readability (lb / kg)	6 lb x 0.001lb / 3 kg x 0.0005 kg	15 lb x 0.002 lb / 6 kg x 0.001 kg	30 lb x 0.005 lb / 15 kg x 0.002 kg	60 lb x 0.01 lb / 30 kg x 0.005 kg
NTEP Readability (lb/g)	0.002 / 1	0.005 / 2	0.01 / 5	0.02 / 10
Sample Size	Preset 10 or input via numeric keypad
