Manufacture: Doran  
SKU: **DCS5250**  
Weight: 25.00 lb

**Please Call**  
**(800)832-0055**

### Features

The affordably priced Curbside Baggage Scale offers the same reliability and durability as our other Baggage Scales in a rugged, portable design.

**Portable and Affordable** The affordably priced Curbside Baggage Scale offers the same reliability and durability as our other baggage scales in a rugged portable design. Guide it to the work area with the 36"-tall column with handles and then anchor it in place with the four swivel and locking casters.

**Outstanding Durability & Reliability** A side load and vertical load protection system using rubber shock mounts prevents load cell sensor damage from impact and massive overloading as baggage is loaded onto the scale platform. An advanced electronic design prevents damage caused by electrostatic discharge present in dry airport environments.

### Specifications
